#### 7. Note from Treasurer

We had a really successful Autumn turn but sadly covid has severely reduced our fundraising since March. We still have over £20k in the bank account so we are fortunate to still have money available to support the schools during this period.

As always we are very grateful to Parents, Teachers and all the helpers who have contributed very generously and supported our events.

It has been wonderful this year to spend so much of the funds that had been building up over the past couple of years.
